

WONDERFUL WEDNESDAY HOT LUNCH!

St. Mary Home and School Association is happy to once again offer hot lunch on Wednesday's to our students and staff. The program is run by volunteer parents and is a fund raiser for the school.

The HSA wants to make the Wednesday lunch program as easy as possible for all our parents. For the 2011- 2012 school year parents can prepay for the delicious Illiano's pizza lunch. You have the option of prepaying for the entire school year or do a partial payment (see pricing document).

Weekly payments will still be accepted and are due on Fridays.

If a child is absent on Wonderful Wednesday the lunch will not be credited please view it as a donation to the school!

However if a sibling is in the school, the lunch could be sent home/or given to them.

The Home & School Association is looking for parents to volunteer and help facilitate this program.

Please contact Eileen Strom with any questions or suggestions
